CRUISE THE *Amazon*

SPORT FISHING
ON THE AMAZON RIVER

Take in the incredible scenery and relax as you fish in South Americas untouched waters.

Fish for the Amazon River's most notorious inhabitant - the Piranha

Our guides know the river and will take you to the best fishing spots.

Pirahna fishing is part of all our regular itineraries.

Sport fishing is an activity that guests of all ages will enjoy!

In order to maintain the river,
we practice "catch & release"

However, we do offer private fishing charters

More experienced fishermen
will find that the river hosts
plenty of challenge.

The Arapaima pictured here is one of the largest freshwater fish in the world!
